

# The Young Manufacturing Leaders Network

Data & Activities  
Version 0.4 - December 2022

# The Young Manufacturing Leader Network

The international network of Young Manufacturing Leaders aimed at:

- **spreading awareness** about the importance of advanced and sustainable manufacturing
  - **engaging and connecting** young people with key players and opportunities in manufacturing
  - **empowering** them to be **change-makers** and contribute to the sustainable development of industry and society
- at both local and global level

# The YML City Hubs

Besides the promoting Partners, YML network is currently composed of **8 local City Hubs based in Europe**. The City Hubs are run by members of the network in collaboration with project partners and other stakeholders.

# The growing YML community
